PMINZ Mentorship Programme

A PMINZ Mentoring Handbook was launched in 2017 to outline the PMI Mentoring Programme and its structure for PMINZ members.

After the Handbook's release, four regional coordinators were trained, and the program was actively promoted to our members.

Members interested in participating as mentors or mentees are required to complete an Expression of Interest form. The coordinator then matches mentors and mentees, and an initial meeting is held where an agreement is signed.

Typically, meetings are held on a monthly basis, though they can be adjusted to meet individual needs. The mentoring period usually spans 6 to 9 months as a guideline.

Ian Paterson (ian@pmi.nz) is the mentoring coordinator for PMINZ. Please reach out if you would like to know more about the programme.
